

X-RAY EQUIPMENT

TELESCOPIC X-RAY PORTABLE GENERATOR STAND

This mobile X-ray portable generator stand is universally adaptable to all portable generators. The thick steel frame allows for easy positioning of light to heavy generators.

The telescopic feature allows the generator to gain more or less height as required.

MULTIPURPOSE X-RAY & SURGERY ROOM WITH MOBILE STAND

The MULTIPURPOSE X-RAY & SURGERY ROOM with mobile stand solution is designed to allow greater use of real estate space, where a practice may or may not have enough space for a separate X-ray room or where would prefer to maximize available floor space in the clinic. This solution is perfect for integrating your existing or new portable x-ray generator. This table allows use of a portable X-ray generator as the main x-ray source - **providing you with more flexibility to use your portable generator in practice or on the field.**

Features:

- Nicely integrated design
- Easy & simple installation
- User friendly interface (Easy to learn)
- Visible status at all time
- Compact size
- Suitable for VET clinics with low budget.

Lead time: Subject to stock availability, transit times and radiation licensing. Estimated shipping date to be provided once the purchase is confirmed
