

# X-RAY EQUIPMENT

## TELESCOPIC X-RAY PORTABLE GENERATOR STAND

This mobile X-ray portable generator stand is universally adaptable to all portable generators. The thick steel frame allows for easy positioning of light to heavy generators.

The telescopic feature allows the generator to gain more or less height as required.

## DEL WALL STAND (BUCKY)

The reliable VS wall stands utilize electromagnetic 'fail safe' locks to maintain operator confidence throughout the imaging procedure. Full receptor movement to the floor, patient-side handgrips and optional overhead handgrips promote efficient upright exams without placing unnecessary strain on the patient.

The VS wall stand comes in 3 different models:
